

Insurance Waiver Form

Grades 7-12

West Lyon School Board policy requires that all parents of guardians of West Lyon students participating in interscholastic athletics have adequate insurance coverage for the 2018-19 school year. Parents of the West Lyon student athlete must purchase school insurance or sign a waiver form indicating that they have adequate coverage or their own and that the West Lyon School is not legally liable for athletic injury.

This waiver must be completed **before** athletes can participate in athletic practices. Cheerleading and Dance Team are considered part of the athletic program at West Lyon and a waiver will be necessary for these also.

Must use a separate form for each student.

I, the parent/guardian of _____, waive the West Lyon Community School District of legal responsibility for insurance coverage for the 2018-19 school year.
